#### Subpart D—Exemptions from the Requirements for the Filing of Shipper's Export Declarations

##### **§30.50 Procedure for shipments exempt from the requirements for Shipper's Export Declarations.**

Except as provided below, where an exemption from the requirement for the filing of a Shipper's Export Declaration is provided in this subpart, a notation describing the basis for the exemption shall be made on the bill of lading, air waybill, or other loading document for carrier use, with a reference to the number of the section in this part where the particular exemption is provided so that the carrier at the time of lading, and the Customs Director at the time of exportation, may verify that no declaration is required. If none of the above named documents is used, the person transporting the merchandise must be prepared to identify to the Customs Director at the port of exportation, at the time of exportation but prior to departure, any merchandise which is exempt from the requirement for the filing of a Shipper's Export Declaration and explain to the Customs Director the basis for the exemption. Where shipments are exempt from the requirement for Shipper's Export Declarations on the basis of value and destination, the appearance of the value and destination on the bill of lading, air waybill, or other loading document for carrier use, shall be acceptable as evidence of the exemption, and no reference need be made to the particular section of these regulations where the exemption is provided.

##### **§30.51 Government shipments not generally exempt.**

(See §30.37 for possible exceptions to the full reporting requirements of §30.7 for certain military sales shipments not exempt from the requirement for the Shipper's Export Declaration.)
